

Unitek Learning Announces Their Expansion to Nevada

One of the nation's finest nursing and healthcare colleges will open in Reno, Nevada.

Reno, Nevada – January 8, 2020 – Unitek Learning is proud to announce the expansion of their healthcare programs to Reno, Nevada. Based in California, Unitek seeks to provide Nevada residents with accelerated and convenient courses for their healthcare needs. The campus is now open to the public, and offers aspiring professionals a range of programs in the medical field.

At the Reno Campus, students have the opportunity to enroll in a 9-month Medical Assisting program. Several nursing programs will likely be added at a later date. Students can benefit from a dynamic learning environment, which includes applied training, hands-on exercises, and clinical simulations. In addition, most students will benefit from class caps to maximize their learning experience. Some programs will also feature online coursework for the busy adult. Others will utilize a state-of-the-art simulation center with high-fidelity simulators and sim-view technology, including a Nursing Intensive Care Unit (ICU).

At Unitek, the next generation of healthcare professionals can gain a well-rounded education. In addition to offering a roster of in-demand programs, the Reno campus's location is widely accessible for Nevada residents. Spacious and sleek with blue-tinted windows, the campus is located near the I-580 freeway. It's also adjacent to public transportation, lies within walking distance of a nearby mall, and maintains ample parking for students and faculty.

"It has been another year of growth and opportunity for Unitek Learning, and we look forward to extending our reach in Nevada," said David Higley, Chief Marketing Officer at Unitek Learning. "Through the Reno Campus, Unitek seeks to promote student excellence, strengthen support for workforce development, and help fill the need for healthcare professionals in the United States."

Unitek Learning is the parent company of several distinguished learning institutions: Unitek College, Unitek EMT, Eagle Gate College, and Provo College. Unitek Learning is now expanding their presence to Nevada and Idaho. Taught by experienced professionals, Unitek programs teach clinical practices and theory used in the field today. Equipped with a multitude of sought-after skills, Unitek graduates are prepared to excel in many of the fastest-growing careers in healthcare and nursing.
