

Educational Partnership Announcement

Unitek Learning joins forces with ASAP Home Health to launch new education pathway.

Newport Beach, California – November 17, 2020 – Unitek Learning is thrilled to announce a partnership with ASAP Home Health. This innovative group has launched an education-referral program, where they work with families who care for loved ones at home but would like to enroll in a Vocational Nursing program.

[ASAP Home Health](#) actively assists the community through Medi-Cal's home and community service program. Because they provide an enriching environment for the elderly, pediatric, and disabled, ASAP Home Health can also enrich the lives of families, the community, and each other.

"We are honored ASAP Home Health has selected Unitek Learning as a preferred education provider," said Karilyn Van Oosten, VP of Strategic Business Development at Unitek Learning. "Our partnership will help many people in our community provide in-home care for their loved ones. Together, we can help support the public."

Unitek Learning will strive to reach the top of the referral list for ASAP Home Health. Currently, their roster includes about 300 patients, with one or two members from each family enrolling in a program. Unitek will offer referrals with a special tuition reduction for their program.

"Unitek Learning embraces the mission of ASAP Home Health," said Dr. Abdel Yosef, PhD, RN, CNE, Chief Academic Officer at Unitek Learning. "We believe in a future where every individual has access to healthcare services. To provide a level of care that maintains their wellbeing, we have embarked on a new journey with ASAP Home Health."

Unitek Learning is the parent company of several distinguished learning institutions: Unitek College, Unitek EMT, Eagle Gate College, Provo College, and Brookline College. Unitek programs teach the clinical practices and theory used in the field today. Equipped with a multitude of sought-after skills, Unitek graduates are prepared to excel in many of the fastest-growing careers in healthcare and nursing.
