

ERIN KELLY

Chief Financial Officer, Unitek Learning

Erin Kelly serves as Chief Financial Officer for Unitek Learning, where she directs all financial operations, including accounting, compliance, tax, treasury, financial planning and analysis, facilities, and procurement. A seasoned finance executive with deep experience in global education organizations, Erin has a proven record of driving operational efficiency, leading complex international transactions, and building high-performing teams across multiple geographies.

Before joining Unitek Learning, Erin served as Chief Financial Officer and Global Controller at Vanta Education, where she led all finance operations for a \$300 million business unit spanning multiple countries. She guided global executive leadership and investors in operational and strategic decision-making, implemented financial discipline across international units, and led due diligence for divestitures and debt financings that created significant shareholder value. Under her leadership, Vanta realized over \$1 billion in divestiture asset proceeds and delivered \$100 million in tax benefits through strategic reorganizations.

Prior to Vanta, Erin held senior finance roles at Apollo Education Group, one of the world's largest multinational education providers. She oversaw global accounting and controllership functions, improving close and reporting processes while maintaining compliance with international accounting standards (U.S. GAAP, U.K. GAAP, and IFRS). She also led key aspects of Apollo's transition from a public to a private company, establishing standalone financial infrastructure, back-office functions, and private reporting systems.

Erin earned her Bachelor of Science in Accountancy from the W. P. Carey School of Business at Arizona State University (ASU) and is a Certified Public Accountant with the Arizona State Board of Accountancy. She is a graduate of Barrett, The Honors College at ASU, and a former board member of the Arizona Foundation for Women. Erin remains active in her community through volunteer leadership with the National Charity League, where she supports philanthropy and mentorship programs.
